

CLUEMINATI 2.0

Your efforts have turned the tide. What was once a sky shrouded in dull, oppressive gray now blazes with vibrant color. The Gray Men, are now in retreat, their iron grip weakening. This is our moment. Their defenses are faltering, their resolve is cracking. We must press forward, push beyond their crumbling lines, and seize the advantage while the momentum is ours.

First Task: The Fall of Sector R

Controllers, we have attached a file we have been able to scavenge. This time, import it into the Rive's preview Database and find a way to recover its secret, we know this one is capable of movement be sharp with your reflexes.
