"You are the last hope," an encrypted voice message plays. "A team of Shade-Hunters, our finest, has gone missing, and the Grey men grow stronger with every hue they steal. They left behind a trail, but the clues they uncovered are fragmented. If you are to survive, you must solve what they couldn't."

Fourth Task: The Chest of Time

The Lost Team's final known clue was found in a virtual treasure chest, a digital puzzle hidden in the remnants of an ancient society. They imported a strange image into a GLB 3D site, a tool the Grey men cannot manipulate. "At the bottom of the chest," their last message said, "a number, a treasure, a key." The location of the place the lost team so desperately tried to reach before disappearing is the key.
