"You are the last hope," an encrypted voice message plays. "A team of Shade-Hunters, our finest, has gone missing, and the Greymen grow stronger with every hue they steal. They left behind a trail, but the clues they uncovered are fragmented. If you are to survive, you must solve what they couldn't."

Third Task: A Word in the Shadows

The Lost Team's notes get stranger from here. Their encrypted message spoke of a hidden phrase, lost in the most unsuspecting of places. In the middle of an old music video, a video that the previous generation despised in fear of getting 'rick-rolled', they found a word, something the Greymen overlooked: "It was hidden in plain sight, in a video meant for joy, yet where despair resides." It was getting warmer by the second, from 2 to 2:30 in the afternoon. The key in the video looked uncannily similar to their source of discomfort, the sun. The Lost Team uncovered this clue before their signals faded, but they never solved what it meant. What is the item in the video?
