

CLUEMINATI 2.0

Your efforts have turned the tide. What was once a sky shrouded in dull, oppressive gray now blazes with vibrant color. The Gray Men, are now in retreat, their iron grip weakening. This is our moment. Their defenses are faltering, their resolve is cracking. We must press forward, push beyond their crumbling lines, and seize the advantage while the momentum is ours.

Third Task: Color Breach

We must free the palette from the hands of the gray men once and for all, you must uncover the secrets of the image attached. We know it has something to do with a code, but which ones?

Good luck!
