

## CLUEMINATI 2.0

Your efforts have turned the tide. What was once a sky shrouded in dull, oppressive gray now blazes with vibrant color. The Gray Men, are now in retreat, their iron grip weakening. This is our moment. Their defenses are faltering, their resolve is cracking. We must press forward, push beyond their crumbling lines, and seize the advantage while the momentum is ours.

### **Second Task: Intercepting Coms**

The grey men are panicking, their coms channels are all over the place. We have intercepted some crucial information but we need to crack the seal. Uploading the file...
