

## CLUEMINATI 2.0

"You are the last hope," an encrypted voice message plays. "A team of Shade-Hunters, our finest, has gone missing, and the Greymen grow stronger with every hue they steal. They left behind a trail, but the clues they uncovered are fragmented. If you are to survive, you must solve what they couldn't."

### **Final Task: The Lost Coordinates**

The Lost Team's trail ends abruptly here. Their last transmitted clue was a series of numbers—longitude and latitude. Before the greymen silenced them, they managed to send these coordinates. Their last hope is that someone—perhaps you—can reach the final destination they could not. The location of the 'secret station', the location of colour, the location of the 'rainbow'.
